

# Adhi Krishna S

Flutter Developer

## About Me

I'm a passionate Flutter developer with a strong desire to create engaging and visually appealing apps. I have honed my skills in building high-performance and responsive applications with Flutter, and I'm constantly looking for opportunities to learn and grow. I'm excited about the prospect of contributing my skills to your team and creating exceptional user experiences.

● (2025)

FLUTTER DEVELOPER

6 months internship

Acadeno Private Limited  
Flutter Development Intern  
Month Year – Month Year

- Learned and applied Flutter fundamentals to build responsive and visually appealing UI screens.
- Worked with core widgets like Stack, Container, GridView, Row, Column, and Image widgets.
- Created sample projects such as an ATM Card UI, Netflix-style UI, and other custom layouts.
- Improved coding structure, debugging skills, and UI/UX understanding during the internship.
- Collaborated with mentors and followed basic development workflows.
